Reginald Barris is an American stand-up comedian who has been working and touring full-time since 2016. He's produced and performed shows in more than 60 cities in 22 countries and taken part in several international festivals. He also spearheaded Austria's English comedy scene by founding Austria's longest running English stand-up comedy night: "Comedy for Expats"

Reginald also creates short-form comedic video content for social media, and amassed 100K followers across the major platforms.
